*Rule X, clause 1(k), Rules of the House of Representatives

COMMITTEE ON THE JUDICIARY RULES OF PROCEDURE*

Rule I

The Rules of the House of Representatives are the rules of the Committee on the Judiciary and its subcommittees with the following specific additions thereto.

Rule II—Committee Meetings

(a) The regular meeting day of the Committee on the Judiciary for the conduct of its business shall be on Tuesday of each week while the House is in session.

(b) Additional meetings may be called by the Chairman and a regular meeting of the Committee may be dispensed with when, in the judgment of the Chairman, there is no need therefor.

(c) At least 24 hours (excluding Saturdays, Sundays and legal holidays when the House is not in session) before each scheduled Committee or subcommittee meeting, each Member of the Committee or subcommittee shall be furnished a list of the bill(s) and subject(s) to be considered and/or acted upon at the meeting. Bills or subjects not listed shall be subject to a point of order unless their consideration is agreed to by a two-thirds vote of the Committee or subcommittee.

(d) The Chairman, with such notice to the ranking Minority Member as is practicable, may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purpose pursuant to that call of the Chairman.

(e) Committee and subcommittee meetings for the transaction of business, i.e. meetings other than those held for the purpose of taking testimony, shall be open to the public except when the Committee or subcommittee determines by majority vote to close the meeting because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade or incriminate any person or otherwise would violate any law or rule of the House.

(f) Every motion made to the Committee and entertained by the Chairman shall be reduced to writing upon demand of any Member, and a copy made available to each Member present.

(g) For purposes of taking any action at a meeting of the full Committee or any subcommittee thereof, a quorum shall be constituted by the presence of not less than one-third of the Members of the Committee or subcommittee, except that a full majority of the Members of the Committee or subcommittee shall constitute a quorum for purposes of reporting a measure or recommendation from the Committee or subcommittee, closing a meeting to the public, or authorizing the issuance of a subpoena.

(h) Transcripts of markups shall be recorded and may be published in the same manner as hearings before the Committee and shall be included as part of the legislative report unless waived by the Chairman.

Rule III—Hearings

(a) The Committee Chairman or any subcommittee chairman shall make public announcement of the date, place, and subject matter of any hearing to be conducted by it on any measure or matter at least one week before the commencement of that hearing. If the Chairman of the Committee, or the subcommittee, with the concurrence of the ranking Minority Member, determines determines there is good cause to begin the hearing sooner, or if the Committee or subcommittee so determines by majority vote, a quorum being present for the transaction of business, the Chairman or subcommittee chairman shall make the announcement at the earliest possible date.

(b) Committee and subcommittee hearings shall be open to the public except when the Committee or subcommittee determines by majority vote to close the meeting because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would tend to defame, degrade, or incriminate any person or otherwise would violate any law or rule of the House.

*Adopted January 31, 2001

(c) For purposes of taking testimony and receiving evidence before the Committee or any subcommittee, a quorum shall be constituted by the presence of two Members.

(d) In the course of any hearing each Member shall be allowed five minutes for the interrogation of a witness until such time as each Member who so desires has had an opportunity to question the witness.

(e) The transcripts of those hearings conducted by the Committee which are decided to be printed shall be published in verbatim form, with the material requested for the record inserted at that place requested, or at the end of the record, as appropriate. Individuals, including Members of Congress, whose comments are to be published as part of a Committee document shall be given the opportunity to verify the accuracy of the transcription in advance of publication. Any requests by those Members, staff or witnesses to correct any errors other than errors in the transcription, or disputed errors in transcription, shall be appended to the record, and the appropriate place where the change is requested will be footnoted. Prior to approval by the Chairman of hearings conducted jointly with another congressional committee, a memorandum of understanding shall be prepared which incorporates an agreement for the publication of the verbatim transcript.

Rule IV—Broadcasting

Whenever a hearing or meeting conducted by the Committee or any subcommittee is open to the public, those proceedings shall be open to coverage by television, radio, and still photography except when the hearing or meeting is closed pursuant to the Committee Rules of Procedure.

Rule V—Standing Subcommittees

(a) The full Committee shall have jurisdiction over the following subject matters: antitrust law, tort liability, including medical malpractice and product liability, legal reform generally, and such other legislative or oversight matters as determined by the Chairman.

(b) There shall be five standing subcommittees of the Committee on the Judiciary, with jurisdictions as follows:

(1) *Subcommittee on Courts, the Internet, and Intellectual Property:* copyright, patent and trademark law, information technology, administration of U.S. courts, Federal rules of Evidence, Civil, and Appellate Procedure, judicial ethics, other appropriate matters as referred by the Chairman, and relevant oversight.

(2) *Subcommittee on the Constitution:* constitutional amendments, constitutional rights, federal civil rights laws, ethics in government, other appropriate matters as referred by the Chairman, and relevant oversight.

(3) *Subcommittee on Commercial and Administrative Law:* bankruptcy and commercial law, bankruptcy judgeships, administrative law, independent counsel, state taxation affecting interstate commerce, interstate compacts, other appropriate matters as referred by the Chairman, and relevant oversight.

(4) *Subcommittee on Crime:* Federal Criminal Code, drug enforcement, sentencing, parole and pardons, Federal Rules of Criminal Procedure, prisons, other appropriate matters as referred by the Chairman, and relevant oversight.

(5) *Subcommittee on Immigration and Claims:* immigration and naturaluzation, admission of refugees, treaties, conventions and international agreements, claims against the United States, federal charters of incorporation, private immigration and claims bills, other appropriate matters as referred by the Chairman, and relevant oversight.

(c) The Chairman of the Committee and ranking Minority Member thereof shall be ex officio Members, but not voting Members, of each subcommittee to which such Chairman or ranking Minority Member has not been assigned by resolution of the Committee. Ex officio Members shall not be counted as present for purposes of constituting a quorum at any hearing or meeting of such subcommittee.

Rule VI—Powers and Duties of Subcommittees

Each subcommittee is authorized to meet, hold hearings, receive evidence, and report to the full Committee on all matters referred to it or under its jurisdiction. Subcommittee chairmen shall set dates for hearings and meetings of their respective subcommittees after consultation with the Chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of full Committee and subcommittee meetings or hearings whenever possible.

*Adopted January 31, 2001

Rule VII—Non-Legislative Reports

No report of the Committee or a subcommittee which does not accompany a measure or matter for consideration by the House shall be published unless all Members of the Committee or subcommittee issuing the report shall have been apprised of such report and given the opportunity to give notice of intention to file supplemental, additional, or dissenting views as part of the report. In no case shall the time in which to file such views be less than three calendar days (excluding Saturdays, Sundays, and legal holidays when the House is not in session).

Rule VIII—Committee Records

The records of the Committee at the National Archives and Records Administration shall be made available for public use according to the Rules of the House. The Chairman shall notify the ranking Minority Member of any decision to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any Member of the Committee.

*Adopted January 31, 2001
