

FDLP Announcement Service Inaugurated

LPS has inaugurated the FDLP Announcement Service to provide depository libraries with time-sensitive information relating to the Federal Depository Library Program. Through this free email service, LPS will provide depository libraries with timely announcements relating to the program, including but not limited to notices on:

- New issues of Administrative Notes and its Technical Supplement posted to the FDLP Desktop;
- Meetings (Depository Library Council, Federal Depository Library Conference, Interagency Seminar);
- Superintendent of Documents requests for withdrawal of documents;
- Operational matters, e.g., Item Selection Update Cycle, problems with shipping lists.

The announcements will contain brief text, and, when applicable, URLs linking to full texts on GPO Access.

To subscribe, go to <<http://listserv.access.gpo.gov/>>. Click on <Online Mailing List Archives>. Click on <GPO-FDLP-L>. Click on <Join or leave the list> and follow the instructions.

Those who sign on will automatically receive the FDLP email announcements. Initially, LPS will continue to post the same announcements to discussion lists such as GOVDOC-L and DocTech-L, but ultimately the FDLP Announcement Service will be the sole online source for these notices. LPS strongly encourages all depository libraries to subscribe to the service.

The FDLP Announcement Service is not a discussion list, as only list owners may post messages. Any comments or questions should be sent to <askLPS@gpo.gov>.
